SPOTTER INSTRUCTIONS

Thank you so much for volunteering to be a spotter in this year's Light Up Bedford Parade. While we want you to enjoy the experience to its fullest extent, it is necessary for us to remind you of your primary duties as a spotter:

1. **Please remain beside or on the float at all times during the parade.**
2. **Please do not allow viewers to walk up to the float during the parade. It is imperative that no one try to run up to the float. They could slip easily and fall under the wheels**.
3. **Once the parade begins, all persons on the float must remain on the float until the parade ends, the float has stopped and it is safe to disembark.**
4. **Please do not allow the children and adults on the float to throw objects, advertising materials, candy etc. from the float during the parade.**

Again, thank you for volunteering your time to help make this year's parade the most enjoyable yet. We could not do it without you! Please feel free to call Barb Hooper at 902-877-1168 (cellular) with any questions.
